

Hawaii Big Game Fishing Club Event Inquiry Form

Aloha and thank you for your interest in holding a function at the Hawaii Big Game Fishing Club House in Honokohau Harbor.

The Hawaii Big Game Fishing Club is a 501(c)3 non-profit organization, and therefore we are governed by IRS guidelines (and our State lease) on what sort of functions we can host at our Club House. All functions must be relative to our Organizational Purpose:

The preservation and conservation of marine resources through public education, research, the promotion of sportsmanship among the youth of the community, and through participation in club activities.

If you think that your proposed function is a good fit for our facility, please tell us more about you and your event so we can make an "official" determination from our side.

We will get back to you as soon as possible, but kindly understand, we are a non-profit, not a professional event venue, and we can't host unrelated functions. If you are possibly not a good fit, or in a hurry, we suggest you call a hotel or the County for one of their meeting spaces.

Mahalo!

NAME OF APPLICANT _____
