FISHING DAYS AND START/STOP TIMES: The fishing days are Saturday, June 10, 2023 and Sunday, June 11, 2023. The Start/Stop times will be announced on the radio. Start fishing is 7:00 am (GREEN BUOY START BOTH DAYS), stop fishing 3:00 pm, and dock time is 6:00 pm on both days.

All fish must be hooked by the time of the "stop fishing" signal each day. In the event a fish is still hooked at the call of stop fishing, the angler may keep fighting the fish until the fish is tagged and released, boated or lost. Tournament radio control must be notified that the team is hooked up prior to stop fishing signal being called or the fish will be disqualified.

Any boat with a qualifying fish must be in the mouth of Honokohau Harbor by 6:00 pm or the fish will be disqualified, unless they were hooked up prior to stop fishing and had reported to the tournament radio control, at which time they are allowed to fight the fish until boated, tagged & released or lost. Teams with fish to weigh or released fish to qualify may NOT have any lines in water after 3:00 PM.

FISHING AREA: The area is limited to fish caught between a line due west of Upolu Point (the northern tip of the Big Island) and a line due south of Humuhumu Point (Near the southern tip of the Big Island). A grid chart will be furnished.

RULES AND GENERAL ISSUES: IGFA Rules will apply to all catches. All IGFA line classes, up to 130 pound, will be treated equally.

Only fish caught on rod and reel, trolling or drift fishing, will qualify. Live bait may not be passed between boats and cannot be caught prior to the start of fishing. Live bait and dead bait must be rigged with circle hooks only. Lures can be rigged with conventional hooks.

Each angler must complete a Fish Catch form, which is supplied in the tournament bags at registration. The form must be completed and turned in at the end of the fishing day. No form, no points! The angler must furnish, upon request, the lure, leader, rod, reel, and/or the terminal tackle with which the fish was caught.

Re-weighing of any fish is left solely to the discretion of the judges and rules committee.

The rules committee has the right to investigate and act upon any incident occurring during the tournament. They shall have the right to disqualify any capture following examination and measurement of tackle and equipment used on the boat, including fish boxes. Any protest, concerning the validity of any catch, must be filed in writing, signed by the team captain and hand delivered to the rules committee not later than midnight of the day of the catch. The decision of the rules committee is final.

Tournament Control will operate on VHF Channel 68. No CBs will be used. Boat round-ups will be held at 10:00 am, 12:00 noon and 2:00 pm. All hookups must be called in to Tournament Control. If a tournament boat is out of range, the hookup must be relayed via radio. All Tournament boats must radio in to tournament control as "secure" when the boat has returned to Honokohau Harbor at the end of the fishing day.
